

Partners Physician Academy – Center Nomination Form

Dear HTC Director/Supervisor,

We are delighted to introduce the Partners Physician Academy – an expert-driven, bleeding disorder-focused educational program in the U.S. Developed by over 40 national hematology experts from various backgrounds in hemophilia, VWD, and rare coagulation disorders, this program seeks to help support and accelerate the career advancement of physicians in fellowship and early in their career, including preparation for Hemophilia Treatment Center (HTC) leadership.

The Partners Physician Academy is a 5-day course. It will take place from September 23-27, 2024, in Indianapolis, IN with participants arriving on September 22. This program is seeking to enroll qualified individuals who demonstrate passion and a commitment to furthering their clinical career, establishing collaborative relationships among the HTC network, and aspiring to obtain a leadership role within the HTC community.

On behalf of the Faculty, we would like to invite you to nominate second- to fourth-year fellows or early career physicians (up to five years post-fellowship) working in your institution to participate in the Partners Physician Academy program.

Please provide a Nomination Form for the applicant, that describes:

- The applicant's strengths and traits
- How the applicant's experiences thus far have driven them to consider a career in non-malignant hematology and/or a potential leadership position within the HTC Network
- Your perspective on how the Partners Physician Academy will support the applicant to further prepare for a career in bleeding disorders

Please review the following information on guidance for writing a nomination letter. The applicant will need to upload your nomination letter within their application prior to the application deadline of April 19, 2024.

Thank you for your support. We look forward to reviewing an application from eligible applicants from your center. Should you have any questions, please do not hesitate to reach out to the Partners Physician Academy at PartnersPhysicianAcademy@ihtc.org.
